## **SMARTBOX Chicago Lends A Hand To Chicago’s Breakthrough Urban Ministries’ Holiday Toy Drive**

CHICAGO - December 2010- SMARTBOX Chicago, a leader in portable storage and moving solutions, has begun what hopes to be the first of many partnerships with Breakthrough Urban Ministries, a Chicago-based non profit organization that serves homeless youth, adults, and their families in their East Garfield Park Community on the west side of Chicago. “At SMARTBOX, we are always willing and eager to help our local non-profit organizations, especially around the holidays. We believe in giving back through the donations of our products and services in an attempt to help our community” said Greg Kaufman, President of SMARTBOX Chicago.

In November, SMARTBOX donated seven Smartboxes for Breakthrough Urban Ministries’ annual ‘Holiday Toy Drive’. The boxes, which are 8’ x 5’ x 7’, were delivered to their location for the storage of holiday donations which were to be distributed throughout the holiday season.

SMARTBOX Chicago operates out of a 76,000 square-foot storage facility in Melrose Park, IL and is currently Chicagoland’s largest provider of eight-foot portable storage containers. SMARTBOX is committed to building and maintaining relationships with the community and the public through in-kind donations of products and services.
