**SMARTBOX HELPS PALM BEACH COUNTY HAITI RELIEF
DONATES SMARTBOXES FOR DROP OFF POINTS**

SMARTBOX PORTABLE STORAGE is donating services to the Palm Beach County Haiti Relief Effort. SMARTBOX Portable Storage of West Palm Beach is a locally owned portable storage and moving company with storage centers in West Palm Beach and Pompano Beach which serve all of Palm Beach and Broward counties.

“SMARTBOX has been involved with local charities from our inception, and we feel honored to help Palm Beach in their Haiti relief efforts”, says local owner Steve McCann.

SMARTBOX of West Palm Beach has delivered their storage containers to over 20 local fire stations throughout Palm Beach County. The Smartboxes are then loaded with donations and transported to the Port of Palm Beach. Donated items are then shipped directly to Haiti.

Palm Beach County senior planner, Brian Edwards says of SMARTBOX, “I ran the Fairground Warehouse Operation here in Palm Beach County for the Katrina victims so I can tell you firsthand what a blessing it is to have a container like a Smartbox at each site. SMARTBOX is the greatest...truly the greatest!”

SMARTBOX of West Palm Beach’s other local owner, Brad Clark, is willing to donate to any relief cause. “We have the perfect product for a relief operation like this. We drop a unit, they fill it with the goods and we deliver it to the port where it can be shipped.”
