SMARTBOX of Chicagoland Supports Toys for Tots

CHICAGO, IL, December 3, 2009 – SMARTBOX of Chicagoland is proud to announce that they will be an official toy drop off and collection point for the Marine Corps Toys for Tots Foundation this year. The mission of the Toys for Tots Foundation is to collect new, unwrapped toys to distribute to needy children throughout the Chicagoland area this holiday season.

SMARTBOX of Chicagoland, owners Greg Kaufman and Lee Bolnick are thrilled to be partnering with the Marine Corps Toys for Tots Foundation in support of such a worthy cause. “The Toys for Tots program has touched the lives of so many families both nationwide and in the Chicagoland area, we are eager to support their efforts in any way that we can,” says Greg Kaufman.

Since its inception in 1947, the Toys for Tots foundation has strived to “bring the joy of Christmas to America’s needy children.” SMARTBOX of Chicagoland wants to help them spread that joy by donating the use of SMARTBOXes for the collection of toys at both their office and the Marine Corps Toys for Tots location. Greg Kaufman explained, “Our special Toys for Tots boxes will provide a convenient solution that will allow the secure collection of toys 24 hour a day 7 days a week.”

New, unwrapped toys can be dropped in the special SMARTBOX located at the SMARTBOX office at 150 N. 25th Avenue, Melrose Park, IL 60160 or at the Toys for Tots office located at 3034-60 West Foster Avenue, Chicago, IL 60625. During business hours the toys can also be dropped off with the staff in the SMARTBOX office, or in the convenient Toys for Tots drop SMARTBOX in the parking lot any time of the day or night. Toys will be accepted through December 23, 2009.

About SMARTBOX

SMARTBOX, founded in 2004, enables residential and commercial users to pack and load their belongings at their convenience in containers that are 8 feet long, 7 feet tall and 5 feet wide and can hold the contents of up to 1½ rooms (3,000 pound capacity). When they’ve finished packing their SMARTBOXes, users can call SMARTBOX to pick them up and deliver them for storage in one of its secure warehouses or for moving to another location – across town or across the country – through its SMARTBOX Long Distance network. For more information about SMARTBOX we encourage you to visit our website at www.smartboxusa.com.
